## Hello From Primary Residential Mortgage, Inc.

Headquartered in beautiful Salt Lake City, Utah, Primary Residential Mortgage, Inc. is a national, independent, full-service, residential mortgage banker. Being one of the nation’s largest residential mortgage lenders is nice, and the real benefit to this is focusing our knowledge and experience on your next home loan. Our slogan, “Where the Primary Focus is You” is not just a phrase—it is deeply rooted in our day-to-day operations—and embodies how we treat each customer. It really is all about you. Your home... Your loan... Your experience.

When you work with our team, you’ll come to understand the exact meaning of this focus. For many people, a home is their largest and most complex financial investment, and we strive to provide clarity and ease to the home loan process. We want this to be an exciting time and an amazingly enjoyable experience for you and those with whom you share your home.

Isn’t it time you did business with someone who’s *primary* focus is you?
